

## **MetricNet's Online Benchmarking Process Maturity Assessment**

### *User Guide*

1. MetricNet will send an email to the primary contact with login credentials immediately after the project kickoff meeting.
  - a. Login credentials will be unique to the service desk, desktop support group or call center being benchmarked. If multiple locations are being separately benchmarked, each location will be provided a unique set of login credentials.
  - b. If you do not receive this email within 1 hour of your project kick-off meeting, please notify us at [info@metricnet.com](mailto:info@metricnet.com).
2. Login to your account at <https://www.metricnet.com/my-account>

3. Navigate to the Benchmarking Process Maturity Assessment at <https://www.metricnet.com/process-assessment-ds/>

4. The process assessment includes 7 unique sections. Each section should be completed on a best efforts basis before submitting your data. **For each question in sections 2-7, please indicate the level of maturity for the best practice defined by placing your score in the entry box (Score 1 - 5, or leave blank if the best practice does not apply to your Desktop Support Group). Fractional scores, e.g. 3.5, are acceptable.**
- a. **Section 1 – General Information:** We are requesting some general information about your Desktop Support Group.
  - b. **Section 2 – Strategy:** We are requesting that you answer a number of questions regarding Desktop Support Strategy, Vision, and Mission.
  - c. **Section 3 – Human Resources:** We are requesting that you answer a number of questions regarding Human Resource Management in your Desktop Support Group.
  - d. **Section 4 – Process:** We are requesting that you answer a number of questions regarding your Desktop Support processes and procedures.
  - e. **Section 5 – Technology:** We are requesting that you answer a number of questions regarding your Desktop Support Technology.
  - f. **Section 6 – Performance Measurement:** We are requesting that you answer a number of questions regarding your Desktop Support Performance Measurement.
  - g. **Section 7 – Communication:** We are requesting that you answer a number of questions about the way your Desktop Support Group communicates with key stakeholders.
5. At any time, you may save and continue by clicking the save and continue later button at the bottom of the page:

Please enter a value between 1 and 5.
